

National National Living Wage

Geostream Solutions ('the Company', 'we', 'us', or 'our') works in the Information and Technology sector.

Geostream Solutions ('the Company', 'we', 'us', or 'our') is committed to meeting the requirements of the National Living Wage campaign.

Payment of the National Living Wage has many advantages, and these include the following:

- Staff retention
- Reduction of staff absences
- Ethical employment practices
- Reduction in poverty

Geostream Solutions ('the Company', 'we', 'us', or 'our') is proud to be a National Living Wage employer and such will:

- Pay all employees at least the National Living Wage
- Work closely with suppliers and subcontractors to encourage them to pay their staff the National Living Wage.

This policy will be reviewed annually and is available to interested parties upon request.
